X-ONE

Table élévatrice de traction
Lifting table

X110.3800

X-ONE est une table élévatrice de traction adaptée à toutes les réparations de chocs urbains. Une fois positionné sur la table élévatrice, le véhicule peut être facilement et rapidement levé par les roues permettant ainsi aux techniciens d'avoir accès aux points d'ancrage.

X-ONE is a lifting table specially designed for light and cosmetic impact repairs. Once positioned on the table, the vehicle can be easily and rapidly lifted up by the wheels enabling the technician to get access to the anchoring points.
